## Changing The Landscape Of Charolais Beef

- The must use young sire of the Charolais breed today
- The #1 TSI index in the breed, and again unmatched for his birth to growth spread with exceptional marbling EPD and index value
- Stacks generations and predictability for performance and end product. Sire and dam are both top 1% terminal index
- A good looking sire with ground pounding performance, weaned over 770 lbs, yearling over 1,500 lbs, big testicles and a +.82 in REA
- DNA tested homozygous polled
- November 2022 US inspection showed Jefferson to be a long spined, square hipped, extremely well balanced young sire with and excellent neck and head carriage
