Beautifully Made

- Rector's contribution to the Australian Angus breed is manifested in the superb quality of progeny both at Millah Murrah and owners Springwaters Angus
- Rector has been widely used by both seedstock and commercial breeders for his truly unique data – a high marbling (+4.1 IMF) Millah Murrah sire with awesome EMA and positive fat EBVs
- Son of the well know Nectar N334, Rector's awe inspiring physical presence and immaculate data set renders him the ultimate outcross to Paratrooper P15 and Quixote Q96 bloodlines
- Backed by generations of Millah Murrah and Coonamble Angus royalty deep into the pedigree, it is little wonder R53's structural EBVs are so impressive
- Phenotypically, Rector R53 has received outstanding reviews from the most astute breeders across the country and New Zealand who have travelled to inspect the bull
