Autumn Beef Update

FOREWORD

Please use this Autumn update in conjunction with our main 2023-24 Beef Sire Directory.

Spring 2023 was the largest domestic acquisition period in our Australian beef business, with 6 new domestic sires across the Angus, Simmental and Wagyu breeds being added to our line-up.

Huge demand for domestically sourced sires with balanced performance data and sound phenotype is reflected in this update, and we remain committed to providing the very best domestic and international product to our customers in Australia and New Zealand.

Highlights in this edition include the \$200,000 Millah Murrah Santiago, the record top priced

black Simmental Woonallee Toronto as well as our new, one of a kind, Arubial Genjiro Jr Wagyu young-gun.

New bulls are entering the ABS fold over the coming months, both from Australia and the US. Please stay up-to-date by subscribing to our mailing list as well as our social media pages on Facebook and Instagram.

We wish breeders Australia-wide all the best with their Autumn programs, and stay tuned for our new 2024-25 main sire directory in early Spring!

TLG VISITATION POLICY

Dear clients,

With heightened biosecurity measures implemented across Australia, we remind clients that visits to TLG are to be conducted in-line with TLG's strict biosecurity policies. While domestic and some international visits are permitted, guests must be accompanied by an ABS staff member, and a minimum of 4 weeks' notice given in advance. Depending on collection schedules, bull isolation periods and owner requests, ABS reserves the right at all times to refuse inspections if and when deemed necessary.

SEMEN DISCLAIMER

Genus Australia, trading as ABS Australia, its employees and agents cannot guarantee the conception rate or productivity to be obtained in connection with the use of its products or recommended techniques, therefore it makes no warranty of any kind whatever, expressed or implied, which extend beyond the description of the products hereon and all warranties of merchant ability and fitness for a particular purpose are hereby disclaimed.

It is the responsibility of the purchaser to make themselves aware of ABS Australia's full Terms and Conditions. These are available by contacting the ABS Australia office on 1800 227 285, ABS Australia's website (<http://www.absglobal.com/au>) or your local ABS Sales Representative.

SUNSTONE

(AMF,CAF,DDF,NHF,RGF)

Dunoon Sunstone S378 | 29AN2286 | Owned by: Ben Nevis Angus

Sire: Dunoon Prime Minister P758

Dam: Dunoon Anguish L171

Reg. No.	BHR21S378
Born	18/07/2021
Birth Weight	38kg

Dunoon Prime Minister P758

Dunoon Japara M1008

Lawsons Ki Evident H H6201

Dunoon Anguish L171

Dunoon Anguish H189

A Truly Rare Find

- Available mid-autumn to early winter
- Top selling \$65,000 sire at the 2023 Dunoon Angus autumn sale purchased by Ben Nevis Angus
- Sunstone S378 combines exquisite length, loin strength and softness in a structurally sound package
- Super placid in nature, S378 exhibits all the essential qualities of the elite modern-day Angus animal
- A pedigree littered with Angus gold, sired by the highly revered \$140,000 Dunoon Prime Minister P758, combined with the renowned Lawsons Evident H6201 on his maternal side
- Admire Sunstone's ultimate EBV data set
- Now take a look at the docility, carcass and structural data! There are very few bulls who can match Sunstone's combination of phenotype, structural integrity and data spread
- S378 is the next logical step for breeders to follow on from the hugely successful Landfall New Ground N90 and Sydgen Enhance

 Millah Murrah Klooney K42
Millah Murrah Flower P162
 Millah Murrah Flower M338

Phenotype & Structure +++

- Santiago is the \$200,000 high seller from Millah Murrah's 2023 bull sale
- Pedigree filled with the best of 21st century Australasian Angus bloodlines, combining Emperor, Theo, Klooney & Reality. Three previous sons from the dam have averaged \$38,000
- Low 6 frame score, with outstanding foot & leg structure and perfect reproductive conformation
- Superb phenotype. Perhaps the easiest fleshing Angus bull of the modern era. Santiago is deeper bodied with more fill through the flank than any of his contemporaries. He is a gold standard cow maker in the making
- With solid mid graph predictions right down the page, Santiago makes an ideal genetic complement for Paratrooper, Nugget & Quixote lines, as well as the vast majority of bloodlines from the broader global Angus gene pool.

Watch video of Santiago at 24 months.

TRIGGER

(AMF,CAF,DDF,NHF,DWF,MAF,MHF,OHF,OSF,RGF)

Millah Murrah Trigger T308 | 29AN2289 | Owned by: Rosemount Pastoral, Cherry Tree Hill, Millah Murrah Angus & ABS Australia

Sire: Millah Murrah Quartz Q29

Trigger at 14 months

Reg. No.	NMM22T308
Born	10/07/2022
Birth Weight	35kg
Weight on 31/08/23	626kg
SS on 31/08/23	40cm
FS	6.3

Millah Murrah Kruse Time K400

Millah Murrah Quartz Q29

Millah Murrah Flower N30

Coonamble Hector H249

Millah Murrah Abigail M280

Millah Murrah Abigail J210

Shoot To The Top

- Trigger is the \$180,000 2nd high seller from the 2023 Millah Murrah bull sale, and their highest selling yearling bull ever
- The full sister to Trigger's dam produced the previous record priced Millah Murrah yearling bull, when Rolls Royce fetched \$110,000 in 2021
- Trigger's pedigree carries most of the best Antipodean Angus bloodlines from the past thirty years. Behind Quartz, Kruse Time, Klooney & Hector, feature Ythanbrae Henry VIII & Lawsons Dinky Di
- A frame 6.3 youngster, with superb joint angle and supple gait, Trigger simply glides across the paddock. He displays beautiful foot and leg structure, along with perfect conformation of the reproductive anatomy
- Trigger is so long and deep, carrying extraordinary bulging, soft flesh over the loin, right down through the flank, into the twist and lower ham. Expect his daughters to be superb
- Trigger is an excellent heifer mating prospect, with widespread application for many modern-day Angus bloodlines. He is a logical progression for Paratrooper and his descendants as well as the Quixote & Nugget bloodlines. Indeed, with his relatively divergent pedigree, Trigger will suit females from almost any line in the global Angus gene pool
- High demand, place orders early.

 Gilmandyke Emillesque K0027

He Wields The Hammer

- Top priced \$45,000 powerhouse yearling sire from the 2023 Gilmandyke Spring Sale purchased in conjunction with Ascot Cattle Co.
- A Sterling Pacific son who exemplifies everything we love about the Angus breed in Australia
- Offering a wonderful depth of pedigree well known to the Angus industry; descending from the prolific Emillesque line at Gilmandyke and featuring the likes of highly esteemed Matauri Reality 839, TeMania Ulong U41, Dunoon Gabba G548 and B/R New Design 036!
- Carcass, style, immaculate structure and power to maintain and drive performance within herds
- Now consider the EBV profile for T265; including calving ease, low birth, solid growth and a brilliant +28 docility!
- Carcass wise, the bull is equally impressive with a +7.7 EMA and +4.3 IMF combination, and throw in a top 18% claw set EBV and you have a very complete young sire!

COMSTOCK

Woodhill Comstock 29AN2221

“

An intriguing bull to enter the ABS fold. Visually, you'd be forgiven for thinking that the bull has little to no data under the hide, but in fact he's the total opposite.

Strong headed with an excellent neck carriage displaying tremendous width across the top, through the chine and loin all the way to the tail. A true B muscle pattern bull with a thumping hindquarter and so much fill from hip to pin down to the hock. Depth and capacity in this bull is really pleasing to see from the side and behind. Throw in good scrotal, great temperament, clean sheath, good strength of front and rear

heel and there's a very complete young bull to work with.

Then you consider his data - super low BW, solid growth, moderate MCW, and a staggering +15.6 EMA & 4.0 IMF combination, coupled with his visual attributes, and it becomes evident that Comstock may be the ultimate allrounder for Australian breeders.”

Fletch Kelly
Beef Product Manager

- + Powerful, true B-muscle pattern sire with a scintillating data package
- + Comstock boasts extraordinary dimension and muscle in a structurally sound package
- + Admire his ultra-low BW, high growth and moderate MCW combination as well as a whopping +15.6 EMA & 4.0 IMF figures!

Comstock Progeny

Wombramurra XSIM M Lky One H21 (P)(B)

GW Miss Lucky One 520R (P)

The Place To Be

- Record priced \$55,000 Australian Black Simmental Sire sold at the 2023 Woonallee Spring sale to GB Livestock
- Every genetic decision is a building block towards creating a better animal year on year, and we believe Toronto is the next black Simmental bull to fit that mould
- A thumping Mader Walk This Way son. Walk This Way has been used extensively in North American programs
- Like his sire, Toronto exemplifies all the qualities of an elite modern day Australian Simmental
- Dopey quiet, sound footed and has plenty of softness, length of body and skin to suit many types of females
- Longevity runs strong in Toronto's pedigree with his dam H21 a TNT Tanker daughter impressively still in the herd at Woonallee at 11 years of age and is yet again raising a cracking calf
- Check out T274's data – awesome calving ease, low birth with big growth! Top 3% docility, top 15% milk and carcass data to burn including top 15% carcass weight and top 15% REA EPDs!
- Toronto is a no-holes, absolute must-use, go-to sire for Autumn & Spring 2024.

TRADEMARK

(AMF,CAF,DDF,NHF,DWF,MAF,MHF,OHF,OSF,RGA)

Paringa Trademark T14 | 29AR0293 | Owned by: Paringa Livestock Pty Ltd

Dam: Paringa Red Fevola N23

Sire: Dunoon Double Up Q201

Angus Reg. No.	HKF22T14
Red Angus AUS Reg. No.	ANGHKF22T14
Red Angus USA Reg. No.	RAAA # ANGHKF22T14
Born	14/01/2022
Birth Weight	36kg
Weaning Weight	377kg
Yearling Weight	592kg
SS	42cm
FS 14 months	6
Claw Shape	6

Rennylea L519
Dunoon Double Up Q201
 Dunoon Dandloo L116

Milwillah Fevola F37
Paringa Red Fevola N23 (Red)
 Paringa Red New Man F114 (Red)

The Game Changer

- Paringa Red Trademark T14 is a truly a remarkable Red Angus young sire. He is phenotypically tremendous, visually outstanding from all angles
- When we study Trademark's data, his combination of calving ease, elite carcass quality, excellent claw shape, strong docility, with high fertility and dam's perfect udder score, make him a must use Red Angus sire
- Trademark's genetic profile is matched to a wide range of markets including high end MSA, and will meet future demand for increased efficiencies as the industry strives for carbon neutrality
- No other Red Angus bull globally carries such credentials within this stunning pedigree combination. He carries the service of Dunoon Double UP Q201, a proven L519 X Novak stud sire, while bred from dam Paringa Fevola N23 – currently regarded as Paringa's best Red Angus female, who is half-sister to Millwillah Marble Bar J53
- Trademark combines two of the greatest cows in the black Angus population; with grand dam TeMania Mittagong V254 on the dam side, and TeMania Dandloo H5 on the sire side

One Of A Kind

- ABS' hottest new Wagyu acquisition is the ultimate all-rounder in the global Wagyu space from the world renowned Arubial Wagyu program
- A phenotypically immaculate youngster possessing arguably the most complete data set available in the breed today
- Genjiro Jr's data is one-of-a-kind- a simple EBV search lands Genjiro as the ONLY bull on the entire AWA database to possess his data combination
- Admire his ultra-low GL (top 1%), combined with top 3% 200D, top 3% 400D and top 2% and 600D growth combination!
- That's not all! Genjiro Jr also exhibits a whopping top 2% milk, top 3% scrotal and top 3% carcass weight EBV
- Great carcass data follows, as well as sitting: WBI index top 1%, SRI top 3%, FTI top 1%, F1T top 2%
- A must-use, unique all round young gun for 2024
